

TELSAR™

EXPAND YOUR LASER USE

- 1) **Laser Facial Peel Lotion** - 2 oz, Z-10102-90017
Fine particles absorb the laser energy & perform an exfoliation with less energy needed.
- 2) **Cleansing Gel** - 16 oz, C-0216-90017-B
Cleans and moisturizes the skin before and after laser hair removal treatments.
- 3) **Post Peel Lotion** - 1 oz, S-42713-90017-B
Moisturizes and soothes the skin after a laser peel.
- 4) **Shielding Lotion** - 2 oz, Z-10434-90035
(a) Shields and protects skin areas from the laser radiation during the laser treatment (b) For use with hair removal & tattoo removal lasers
- 5) **Tracking Lotion** - 2 oz, Z-10102-90035
(a) Effectively shows where you have already treated (b) For use with any laser hair removal or skin resurfacing systems (c) Prevents over-treatment
- 6) **Hair Removal Activation Lotion** - 4 oz, Z-10235-90017
Carbon particles worked into the hair follicle will absorb the laser energy allowing for less laser energy to be used.
